Fire Safety Meeting at the ARC

Anthony "Jay" Oubre, the William and Mary Fire Safety Officer, gave a presentation at the ARC, on proper fire safety in the William and Mary Labs, this was also Jims last presentation before retirement, good luck Jay.

Meagan Hilliard and Stephanie Parker preparing for Jay's Presentation.

William and Mary students and staff that participated in the Fire Safety Meeting for the College of William and Mary.

Jay gives his presentation on the different Fire Extinguishers available, and teaches about the different types of fires these extinguishers put out.
