

Department of Physics
College of William and Mary
Williamsburg, Virginia 23187-8795

Final Oral Examination for the Ph. D. Degree

Stephanie Louise Bailey

“Parity-Violation in Elastic Electron Scattering:
A First Measurement of the Parity-Violating
Asymmetry at $Q^2=0.631$
(GeV/c)² at Backward Angle”

Monday, January 8, 2007, 2:30 p.m.

William Small Physical Laboratory Conference Room

Open to the Public
